The present respondents filed Execution Petition under the provision of Order 21 Rule 11 of CPC for satisfying the award as passed by learned Reference Court. The learned District Judge (Forest), District Shimla, H.P. sought the calculations from the respective parties.

After perusing the same, learned District Judge-II, Shimla, H.P. accepted the calculation as submitted by the respondent/claimant and thereafter, ordered the attachment of the property of the present petitioner.

During the course of arguments, it was contended by learned counsel for both the parties that since primarily the dispute pertains to the calculation and the amount of compensation to be paid to the respondents, therefore, they shall have no objection, in case the Registry of this Court is directed to calculate the amount for which the claimants/ respondents are entitled. They further submitted that the calculation which so ever shall be done by the Registry shall be final and none of the parties shall raise objection for the calculation.

In view of the submissions made by learned counsel for the parties, Registry of this court is directed to calculate the amount, strictly as per the award as passed by the Reference Court, which is liable to be paid to the present respondent in accordance with award as passed by the Reference Court. The Registry is directed to submit its report within a period of six weeks from today. It is made clear that calculation which so ever shall be submitted by the Registry shall be final and no objection shall be raised by either of the side as agreed by both the parties. List after six weeks."

4. This Court vide its order had passed a **consent** order on 06.04.2026 and it was made clear that the calculation whatsoever shall be submitted by the Registry shall be final inter se the parties, and no objection shall be raised by either of the sides, which was agreed upon by both the parties.

5. In pursuance to the order which was passed by this Court, the Registry, in aid with the learned counsel for the parties, had carried out the calculations, and as per the same, the State has deposited a sum of ₹11,15,509/- in the Registry of this Court, whereas the present respondents/claimants are entitled to get the amount of compensation to the tune of ₹16,57,265/-. Thus, remaining amount of ₹5,41,756/- alongwith interest amounting to Rs.88,610/-, totaling Rs.6,30,366/- is still payable by the State.

6. Consequently, in view of the calculations which has been done by the Registry, the impugned order as passed by the learned Reference Court does not call for any interference and the present petition is disposed of in view of the calculations as submitted by the Registry, whereby the present respondents/claimants have been held entitled to get the amount of compensation to the tune of ₹16,57,265/-.
