2. Mr. K.S. Kanwar, Advocate, appearing for the respondents, states that though he has every reason to presume and believe that by now, order/judgment sought to be executed, must have been complied with in its totality, but if not, same would be definitely complied with within a period of three weeks from today.

3. Consequently, in view of the fair stand adopted by the learned counsel for the respondents, this Court sees no reason to keep the present petition alive and accordingly, same is disposed of with direction to the respondents to do the needful in terms of judgment alleged to have been violated within a period of three weeks, failing which petitioner would be at liberty to get the present petition revived so that appropriate action in accordance with law is taken towards implementation of the order/judgment.
